

Center for Healthcare Research and Quality

FUNDING ALERT

Effect of Racial and Ethnic Discrimination/Bias on Health Care Delivery

DHHS & NIH are sponsoring a grant to reduce the prevalence of racial/ethnic health disparities through the development of interventions and improvement of measurements in healthcare delivery systems.

Deadline: February 18, 2005

Information: <http://grants1.nih.gov/grants/guide/pa-files/PA-05-006.html>

Practice-Based Research Networks and the Translation of Research into Practice

AHRQ and NCI seek research proposals from primary care practice-based research networks (PBRNs) to evaluate scientifically based strategies for translating evidence into sustainable improvements in clinical practice and outcomes, or to develop, improve, or validate research dissemination methods applicable to cancer control in primary care practice.

Deadline: January 11, 2005

Information: <http://grants1.nih.gov/grants/guide/pa-files/PA-04-041.html>

Mental Illness, Alcohol or Drug Abuse, and Medical Conditions

NIDA, NIAAA and NIMH invite research grant applications to conduct health services research on co-occurring mental illness, alcohol or drug abuse, and commonly co-occurring medical conditions. Relevant responses include but are not limited to the following: access to services, tailoring services, treatment process, and integrated, coordinated, or collaborative care services.

Deadline: February 1, 2005, June 1, 2005, October 1, 2005

Information: <http://grants1.nih.gov/grants/guide/pa-files/PA-05-007.html>

Health Services Research Dissertation

AHRQ announces its continued interest in supporting health services dissertation research. The AHRQ dissertation award supports dissertation research costs of students in accredited research doctoral programs focusing on relevant areas of health services research, with emphasis placed on methodological and research topics that address the mission of AHRQ.

Deadline: February 17, 2005, June 15, 2005, October 15, 2005

Information: <http://grants.nih.gov/grants/guide/pa-files/par-04-039.html>

CDC Announces Calls for Violence and Injury-Related Prevention Research

Violence-Related Injury Prevention Research

Deadline: February 2, 2005

Information: <http://www.fedgrants.gov/Applicants/HHS/CDC/PGO/CDC-RFA-CE05012/listing.html>

New Investigator Training Awards for different research injury types

Deadline: February 2, 2005

Information: <http://www.fedgrants.gov/Applicants/HHS/CDC/PGO/CDC-RFA-CE05021/Modification1.html>

Dissertation Awards for Doctoral Candidates for Violence-Related and Unintentional Injury Prevention Research in Minority Communities

Deadline: January 31, 2005

Information: <http://www.fedgrants.gov/Applicants/HHS/CDC/PGO/CDC-RFA-CE05025/Modification1.html>

Lasker Foundation Awards

The Lasker Foundation seeks nominations for several international prizes including the Clinical Medical Research Award which recognizes scientists whose contributions have led directly or indirectly to the improvement of the clinical management or treatment of patients and to the alleviation or elimination of one of the major medical causes of disability or death. Other awards are given in the areas of basic medicine, clinical medicine, special achievement, and the public service.

Deadline: February 1, 2005

Information: <http://www.laskerfoundation.org/awards/awards.html>

Ongoing Intramural Grant Opportunity for Health Services Research

The Center for Healthcare Research and Quality maintains an ongoing opportunity for pilot grant funding in Health Services Research. Check the website for details.

Deadline: January 14, 2005, April 15, 2005

Details: http://www.phs.wfubmc.edu/chrq/chrq_research.cfm#ongoing

CHRQ Events

Healthcare Research and Quality Day. Join CHRQ in the Commons Area of the Nutrition Building on December 3, 2004 for the annual CHRQ poster session and symposium from 10a.m.-2p.m. Prizes for outstanding research will be awarded at 1p.m., following a guest lecture by Dr. David Meltzer at 12p.m. The lecture is entitled "Learning by Doing and Social Network Effects of Physician Specialization: A Randomized Trial of Hospitalists."

2005 Journal Club. CHRQ will host a Journal Club in the Penthouse Boardroom of Reynolds Tower on January 7, 2005 from 12-1p.m. Drs. David Goff & Bill Moran will facilitate the Journal Club on "Variations in Healthcare Delivery: A look at recent studies." Articles will be distributed via the CHRQ listserv. Visit the CHRQ website to join.

The WFUBMC Center for Healthcare Research and Quality (CHRQ) promotes healthcare quality improvement and Health Services Research. For more information contact Shellie Ellis at 713-4221 or visit our website at www.phs.wfubmc.edu/chrq/index.htm
