

## Wake Forest University School of Medicine

### Curriculum Vitae

**NAME:** James Edward Peacock, Jr., M.D.

**CURRENT ACADEMIC TITLE:** Professor of Internal Medicine

**ADDRESS:**

**BUSINESS:**

Section on Infectious Diseases  
Department of Internal Medicine  
Wake Forest University School of Medicine  
Medical Center Boulevard  
Winston-Salem, North Carolina 27157-1042

Telephone: (336) 716-4507

Fax: (336) 716-3825

**EDUCATION:**

1968-1971

University of North Carolina at Chapel Hill  
Chapel Hill, NC  
Major: Zoology  
Degree: None

*Awards/Honors:*

Whitaker Scholar  
Phi Eta Sigma  
Phi Beta Kappa  
Phi Beta Kappa Scholarship Award

1971-1975

University of North Carolina School of Medicine  
Chapel Hill, North Carolina  
Degree: M.D. with Honors

*Awards/Honors:*

Lange Book Award  
N.C. Public Health Jr. Externship  
Duke Endowment Externship  
William deB. McNider Award  
Mosby Award  
American Heart Association  
Kerr Fellowship in Clinical Cardiology  
Alpha Omega Alpha

**POSTDOCTORAL TRAINING:**

- |           |   |
|-----------|---|
| 1975-1978 | Straight Residency, Internal Medicine<br>University of Virginia Medical Center<br>Charlottesville, Virginia<br>Edward W. Hook, Jr., M.D. Chairman       |
| 1978-1979 | Fellowship, Infectious Diseases<br>University of Virginia Medical Center<br>Charlottesville, Virginia<br>Gerald L. Mandell, M.D., Chief                 |
| 1979-1981 | Fellowship, Infectious Diseases<br>University of North Carolina School of Medicine<br>Chapel Hill, North Carolina<br>P. Frederick Sparling, M.D., Chief |

**PROFESSIONAL LICENSURE:**

1978-1979	Virginia, #30181
1979-Present	North Carolina, #23418

**SPECIALTY CERTIFICATION:**

1978	Diplomate American Board of Internal Medicine
1980	Diplomate Subspecialty of Infectious Diseases American Board of Internal Medicine

**EMPLOYMENT:**

ACADEMIC EXPERIENCE:

1981-1982	Instructor Internal Medicine/Infectious Diseases University of North Carolina School of Medicine Chapel Hill, North Carolina
1982-1987	Assistant Professor Internal Medicine/Infectious Diseases Bowman Gray School of Medicine Winston-Salem, North Carolina
1987-1988	Hospital Epidemiologist Dept of Hospital Epidemiology/Infection Control North Carolina Baptist Hospital Winston-Salem, North Carolina
1987-1994	Associate Professor Internal Medicine/Infectious Diseases Bowman Gray School of Medicine Winston-Salem, North Carolina
1988-1992	Director Internal Medicine Residency Training Program North Carolina Baptist Hospital Winston-Salem, North Carolina

**EMPLOYMENT:** (continued)

ACADEMIC EXPERIENCE:

1994-1995	Associate Dean, Continuing Education Bowman Gray School of Medicine Winston-Salem, North Carolina
1994-Present	Professor Internal Medicine/Infectious Diseases Wake Forest University School of Medicine Winston-Salem, North Carolina

**OTHER PROFESSIONAL APPOINTMENTS AND ACTIVITIES:**

PRESENT HOSPITAL AFFILIATIONS:

1982-Present	Wake Forest University Baptist Medical Center – Attending Physician
2005-Present	Iredell Memorial Hospital Statesville, NC Consulting Physician (Infectious Diseases)

PAST HOSPITAL AFFILIATIONS:

1975-1979	University of Virginia Medical Center Charlottesville, VA
1978-1979	David C. Wilson Neuropsychiatric Hospital Charlottesville, VA
1979-1982	North Carolina Memorial Hospital Chapel Hill, NC

EDITORIAL WORK:

NONE

**PROFESSIONAL INTERESTS:**

RESEARCH INTERESTS:

- Infections in the compromised host
- Opportunistic fungal infections
- Candidemias
- Antimicrobial chemotherapy
- Bone and joint infections
- S. aureus infections
- Infections of prosthetic devices

**PROFESSIONAL MEMBERSHIPS:**

1975-1981	Associate Member American College of Physicians
1980-1998	Member American Society for Microbiology
1981-1986	Member American College of Physicians
1982-1998	Forsyth-Stokes-Davie County Medical Society
1982-1998	North Carolina Medical Society
1983-1993	American Federation for Clinical Research
1985-1997	Member Infectious Diseases Society of America
1986-Present	Fellow American College of Physicians
1988-1992	Association of Program Directors in Internal Medicine
1992-1995	Executive Council North Carolina Chapter, American College of Physicians
1997-Present	Fellow Infectious Diseases Society of America

**HONORS AND AWARDS:**

1982-1983	Medicine Housestaff Faculty Award for Excellence in Clinical Teaching
1983-1984	Basic Science Teaching Excellence Award
1983-1984	Medicine Housestaff Faculty Award for Excellence in Clinical Teaching
1987-1988	Medicine Housestaff Faculty Award for Excellence in Clinical Teaching
1988-1989	Medicine Housestaff Faculty Award for Excellence in Clinical Teaching
1988-1989	Basic Science Teaching Excellence Award
1991-1992	Medicine Housestaff Faculty Award for Excellence in Clinical Teaching
1991-1992	Bowman Gray School of Medicine Teaching Excellence Award
1994-1995	Bowman Gray School of Medicine Class of 1995 Annual Clinical Faculty Award
1997-1998	Department of Internal Medicine Tinsley R. Harrison Faculty Teaching Excellence Award Case-Based Conference
1999-2000	Wake Forest University School of Medicine Class of 2000 Annual Clinical Faculty Award
2000-2001	Master Teacher Award, Department of Internal Medicine
2000-2001	Assistant Chief of Medicine Recognition of Excellence Award, Department of Internal Medicine
2001-2002	Wake Forest University School of Medicine Class of 2002 Annual Clinical Faculty Award
2001-2002	Department of Internal Medicine Tinsley R. Harrison Faculty Teaching Excellence Award Case-Based Conference
2002-2003	Wake Forest University School of Medicine Class of 2003 Annual Clinical Faculty Award

2002-2003	Master Teacher Award, Department of Internal Medicine
2003-2004	Wake Forest University School of Medicine, Class of 2006 Annual Clinical Faculty Award
2003-2004	Master Teacher Award, Department of Internal Medicine
2004-2005	Wake Forest University School of Medicine Class of 2006 "Friends of Students Award"
2004-2005	Master Teacher Award, Department of Internal Medicine
2004-2005	Wake Forest University School of Medicine, Class of 2005 Annual Clinical Faculty Award
2004-2005	Wake Forest University School of Medicine, Class of 2006 Annual Clinical Faculty Award
2004-2005	Wake Forest University School of Medicine, Class of 2007 Annual Clinical Faculty Award
2005-2006	Wake Forest University School of Medicine Class of 2007 "Friends of Students Award"

## **BIBLIOGRAPHY:**

### BOOK CHAPTERS:

1. Wilson G, Peacock JE Jr. Imidazoles, ketoconazole, amphotericin B, and *Candida guilliermondii*. Ann Intern Med 1985; 102:866. (Letter)

2. Donowitz GR, Peacock JE Jr. Ciprofloxacin versus tobramycin for neutropenic fevers. Ann Intern Med 2003; 138:436 (2003). (letter).

**COMMUNITY ACTIVITIES:**

Member, Mt. Tabor United Methodist Church  
Coach, Optimist Soccer  
Coach, YMCA Youth Basketball  
Member, Mayor's Violence Reduction Task Force  
BGSM Partner, Problem-Based Learning Initiative  
Participant, Research! North Carolina  
Volunteer, Community Care Center

**Wake Forest University School of Medicine**

Teaching Portfolio

**LECTURES AND ORAL PRESENTATIONS:**

Peacock J, Kaplowitz L, Sparling F, Durack D, Gnann J, Whitley R, Lovett M, Bryson Y, Klein R, Friedman-Kien A. Intravenous acyclovir (ACV) in the therapy of first episode genital herpes: a multicenter trial. 24th Interscience Conference on Antimicrobial Agents and Chemotherapy, Washington, D.C., 1984. Abstract #1014.

Weiner M, Fetchick R, Peacock J, Foshee S, Corman L, Cohen M, Koym P. Fungal meningitis: immunodiagnosis by detection of candidal and aspergillus antigens in cerebrospinal fluid. 24th Interscience Conference on Antimicrobial Agents and Chemotherapy, Washington, D.C., 1984. Abstract #1096.

Yu VL, Peacock JE, Zuravleff JJ, Tashjian L, DeHertogh D. Rifampin (RIF) therapy for refractory Pseudomonas aeruginosa (PA) infections. 24th Interscience Conference on Antimicrobial Agents and Chemotherapy, Washington, D.C., 1984. Abstract #1224

Peacock J, Wheeler R, Cruz J, Richter J. Esophagitis (E) in the immunocompromised host (ICH): role of esophagoscopy in diagnosis. 25th Interscience Conference on Antimicrobial Agents and Chemotherapy, Minneapolis, Minnesota, 1985. Abstract #249.

Spinola SM, Peacock JE, Denny FL, Cannon JG. Molecular epidemiology of nontypable Hemophilus influenzae colonization in children: a longitudinal study. 25th Interscience Conference on Antimicrobial Agents and Chemotherapy, Minneapolis, Minnesota, 1985. Abstract #281.

Wilson G, Sorrell L, Sottile F, Peacock J. Nosocomial bacteremia (NB) due to Acinetobacter calcoaceticus (AC)- an emerging problem. 25th Interscience Conference on Antimicrobial Agents and Chemotherapy, Minneapolis, Minnesota, 1985. Abstract #948.

Peacock J, Sorrell L, Price L, Rutala WA. Nosocomial colonization/infection (C/I) with aminoglycoside resistant (AMR) Acinetobacter calcoaceticus var anitratus (ACA). 25th Interscience Conference on Antimicrobial Agents and Chemotherapy, Minneapolis, Minnesota, 1985. Abstract #949.

Mertz GJ, Eron L, Davis LG, and the collaborative study group. Suppression of frequently recurring genital herpes with oral acyclovir (ACV): Long-term efficacy and toxicity. 26th Interscience Conference on Antimicrobial Agents and Chemotherapy, New Orleans, Louisiana, 1986. Abstract #1183.

Korvick J, Peacock J, Muder RR, Wheeler R, Yu VL. Addition of rifampin to combination antibiotic therapy for Pseudomonas aeruginosa (PA) bacteremia: a randomized prospective trial in 110 patients. 27th Interscience Conference on Antimicrobial Agents and Chemotherapy, New York, New York, 1987. Abstract #131.

- Whitley R, Liu C, Pollard R, Hayden F, Mertz G, Linnemann C, Wright P, Peacock J, Laughlin C, Caddell G, Soong SJ and the NIAID Collaborative Antiviral Study Group. Acyclovir versus vidarabine therapy of disseminated herpes zoster in the immunocompromised host. 30th Interscience Conference on Antimicrobial Agents and Chemotherapy, Atlanta, GA, 1990. Abstract #728.
- Cruz J, Boardman L, Powell B, Peacock J, Freedman B, Hurd D, Lyerly E, Chorley H, Inabinet R, Brockschmidt J, Livesay L, Capizzi R. Effects of amiloride on amphotericin B induced potassium wasting. 31st Interscience Conference on Antimicrobial Agents and Chemotherapy, Chicago, IL, 1991. Abstract #5.
- Nguyen MH, Tanner MD, Peacock JE, Hathorn J, Nguyen ML, Wagener M, Donahue S, Zuravleff JJ, Yu VL. Fungemia caused by *Candida albicans* and non-*albicans* species: a prospective multicenter clinical and ophthalmologic study. 32nd Interscience Conference on Antimicrobial Agents and Chemotherapy, Anaheim, CA, 1992. Abstract #841.
- Nguyen MH, Peacock JE, Morris AJ, Tanner DC, Nguyen ML, Snyderman DR, Yu VL. The changing face of candidemia: results of large scale prospective multicenter study. 34th Interscience Conference on Antimicrobial Agents and Chemotherapy, Orlando, FL, 1994. Abstract #J107.
- Horn CA, Washburn RG, Peacock JE Jr, Pegram PS. Azole-resistant, progressive oropharyngeal and esophageal candidiasis in patients with AIDS: a re-emerging indication for amphotericin B. 34th Interscience Conference on Antimicrobial Agents and Chemotherapy, Orlando, FL, 1994. Abstract #I221.
