

# Women's Health Referral Resources

The Women's Health Center of Excellence for Research, Leadership, Education (WHCoE) has compiled a listing of clinicians who have expressed a special interest in the diagnosis and/or treatment of conditions unique to women, which occur predominantly in women, or in which gender differences affect the presentation, course, or treatment of the condition. Search the listing below, or visit our website at [www.wfubmc.edu/whcoe](http://www.wfubmc.edu/whcoe), for the online version.

Please note that all numbers listed are in the (336)-area code. All clinicians are self-nominated and agree to be listed. Listing does not guarantee preferred referral.
